

Delaware Emergency Management Agency

Course Description

COURSE CODE/TITLE	MGT-317	Disaster Management for Public Service	
COURSE LOCATION	Clayton Fire Hall 300 East Street Clayton, DE 19938		
COURSE DATES	June 10-11, 2020	COURSE TIME	0800-1600
COURSE DESCRIPTION	Disaster Management for Public Services course provides real world training to public service professionals helping to provide both the knowledge and skills necessary to protect their communities and infrastructure from potential or actual threats. During this course, participants work together in multidisciplinary teams to apply the course information with their professional experience in a variety of hands-on, small group activities, and disaster scenarios. This course brings together emergency management personnel who are expected to identify and mitigate hazards, and who plan and manage disaster response and recovery efforts within their jurisdictions. Representatives from public service agencies, fire services, law enforcement, emergency medical services, emergency planning, public health, and hazardous materials response organizations are encouraged to attend.		
COURSE OBJECTIVES	<ul style="list-style-type: none">• Natural/human-made hazards to which Public Services are vulnerable• Emergency planning and management and the regulatory systems, documents, and directives that guide disaster mitigation and response• Disaster Response factors: hazard control zones, resources, responder safety• Recovery considerations: funding assistance, demobilization• Public Information
